David Lanczycki
Principal

To the Class of 2015,

Within these pages, you will travel to a place deep within. A journey that leads you to moments of laughter, tears and times that in the future you will look back on and "smb." This book is the culmination of four years of adventures and times that will guide your life. Cherish this; it will be there when you need it.

High school is not only about curriculum and courses; it is about the people, with whom you have shared the moments. We all have influenced each other and helped each other to grow. It is this growth that I am most proud of in each of you. From nervous little beings in a decrepit building four years ago to the bolders of our future in a facility that matches your limitless potential. You are ready; you are the best; you will change the world. Dream, believe, and then work your tail off with the determination that makes you a Blue Raider.

The staff and community of Somerset Berkley Regional High School congratulate you. We will be watching and beaming with pride. If for some reason you need us, we will always be here. You have joined a new family as one of our alumni. Together we are strong as long as we are strong together.

Best Wishes,

David J. Lanczycki
